

Take Extra Care social media post suggestions

We all have a responsibility to avoid putting even more strain on the emergency services.
Please always use the roads safely and for essential travel only in these unprecedented times.
#takeextracare

An average of 440 people were killed or injured on Great Britain's roads each day in 2018.
Dangerous driving puts pressure on the emergency services. Please always use the roads safely and for essential travel only in these unprecedented times.
#takeextracare

We all have a responsibility to avoid putting even more strain on the emergency services at this time.
Remember to always drive at a safe and legal speed, and for essential travel only.
#takeextracare

Remember to always wear a seatbelt, drive sober and alert, reduce speeds, and stop your vehicle to use a mobile phone.
Do your bit to ease the strain currently being placed on the NHS. Please always use the roads safely and for essential travel only.
